Firearms Consignment Agreement

All consignments will be listed on an internet auction and may be listed and sold locally from our web site as well. We charge 18% of the sale price of the firearm. A 25% listing fee is charged for items that sell for under \$125.00 Any shipping is paid by the buyer.

There's also a listing fee: \$15 for a sale up to \$500, \$20 for a sale up to \$750, \$25 for a sale up to \$1000, \$30 for a sale up to \$1250.00 and we continue to add \$5 for every \$250 incremental increase in the actual sale price of the item. This is to pay the fee for the listing company we use.

There is no fee for an unsold firearm, we simply contact you and arrange for a pick up although you will have to pass the NICS FBI background check.
